

A VALUE ADDED SERVICE FOR MEMBERS OF
EnvisionRx Plus

The Medicare Part D Program covers only certain drugs. These are referred to as "Part D Drugs". *EnvisionRx Plus* provides coverage only for Part D Drugs on the *EnvisionRx Plus* formulary.

However, your physician may have prescribed certain medications that are not covered by the Medicare Part D Program. These drugs are referred to as "**non-Part D Drugs**".

If you take non-Part D Drugs, you can save money by purchasing a 3 month supply from *EnvisionRx Plus*' Mail Order Pharmacy – Orchard Pharmaceutical – at a substantially discounted price (with 100% copayment).

Drugs purchased through the Mail Order Pharmacy will be conveniently delivered directly to your home and will save you money. Contact Orchard Pharmaceutical at **1-866-909-5170** (TTY# 711) or go to www.OrchardRx.com to order your prescription **non-Part D Drugs**.

For a partial list of **non-Part D Drugs** available from Orchard Pharmaceutical, please see the other side of this page.

Please note that this is a value-added service available to members of our plans and is **not a benefit under your *EnvisionRx Plus Part D plan***. **Non-Part D Drugs** will not count towards any member out-of-pocket costs nor will be reflected on your Explanation of Benefits (EOB) reports.

Also note that the products and services described above are neither offered nor guaranteed under our contract with the Medicare program. In addition, they are not subject to the Medicare appeals process. Any disputes regarding these products and services may be subject to the *EnvisionRx Plus* grievance process.

If you have any questions, please call Member Services at 1-866-250-2005 (TTY # 711) M-F 8:00 am - 10:00 pm and Saturday 8:00 am - 4:30 pm.

Non-Part D Drugs Available From Orchard Pharmaceutical

Not all available drugs are listed below, please call Orchard Pharmaceutical at **1-866-909-5170** (TTY# 711) or go to www.OrchardRx.com to see if your drug is available. (M-F 8:00 am - 10:00 pm and Saturday 8:30 am - 4:30 pm)

Non Part D Drug Class Example	Examples
Drugs Used For Weight Loss	phentermine, Xenical
Cosmetic Drugs	Propecia
Prescription Vitamins and Mineral Products	Folic acid, mephyton, cyanocobalamin, Vitapex, ferrous sulfate
Barbiturates	Phenobarbital
Benzodiazepines (Anxiety and Sleep Aids)	Lorazepam (Ativan), alprazolam (Xanax), diazepam (Valium), temazepam (Restoril), clonazepam (Klonopin), flurazepam (Dalmane), clorazepate (Tranxene), oxazepam (Serax)
